

PCSO CRAIG WILSON

Dear All,

I am Rustington's Police Community Support Officer. I presently work out of Arundel Police Station but can be found in Rustington Village most days of the week. I am part of a Police Neighbourhood Specialist Team for Arun and East Littlehampton. I spend most of my time out on patrol, usually on foot but often on a bicycle. My main duties are to provide high-visibility and a reassuring presence in Rustington. I also deal with incidents of disorder, nuisance and anti-social behaviour in the area, speaking to people who might be drunk and causing problems, confiscating alcohol and tobacco, if necessary.

I also deal with community issues such as problem parking and neighbour disputes in Rustington. I attend all monthly Parish Meetings and have set up a variety of different community meetings which I attend. I work closely with the 3 schools in Rustington and often attend and assist at the local youth club. I'm available for any related issue if should you need me. Please contact me via the Sussex Police Website (please follow the link on this site). Also see the information regarding my monthly surgeries. Look forward to seeing you around the village. Please feel free to come up and chat when you see me.

Kind regards

PCSO Craig Wilson
